

Greater Manchester Federated Republican Women

"Enriching Our Community, Embracing the Future"

Welcome!

We are very happy you are considering joining our Greater Manchester club. We are happy to accept men and women into our membership and look forward to your participation in our club's efforts:

- To promote an informed public through education and political and social activity
- To increase the effectiveness of women in the cause of good government
- To facilitate cooperation among the National and State Federations of Republican Women.
- To foster loyalty to the Republican Party and to promote its principles and candidates in all elections, including non-partisan elections.
- To support the objectives and policies of the Republican National Committee and the New Hampshire Republican State committee, and to work for the election of Republican Party Nominees.
- To promote the principles of freedom, equality, and justice on which the government of this country is founded.

On the technical side:

By completing our club membership application below, you are affirming that you are properly registered as a Republican voter in your community. Membership is on a calendar year basis (Jan to Dec) regardless of when in the year you pay your dues or which membership type you select. Women whom have paid their full membership dues to our club are voting members and count towards the number of voting delegates we are able to send to state and national FRW meetings. For those who choose to be a non-voting Associate Member, your dues show support for our club, as well as help our club to achieve fiscal responsibility and open communication with our club efforts. Please help us grow, and please help us spread the word!
